Dear Stitchers,

Beginning tomorrow, Monday, March 23rd we are going to shorten the hours at Cabbage Row to 10:30 AM to 2:30 PM during this coming week.

If you need something, please send me an email or give me a telephone call (843-722-1528) and I will be happy to mail anything to you. If you are in town, I will be happy to take whatever you need out to you in your car should you not want to come into the shop. If we make any other changes to our hours open I will email you.

Even though our Spring Needlepoint Market was cancelled, I do have new stockings and ornaments and will post them on Facebook - and some below - to give you new ideas should you need a new project.

This first selection are all the Partridge In A Pear Tree from six different designers of the 12 Days of Christmas.

Below are three new stockings:

New ornaments

I know that we will all get through this terrible time but please be safe and take care of yourselves. Hopefully you can enjoy your time at home stitching!
