Dear Stitches,

Under the guidelines of the City of Charleston, I will close for at least the foreseen future.

I know that we will all get through this ordeal, but if you need something please email me (madonna@cabbagerow). I will be happy to send anything to you or you can have "curbside pickup" if you are in Charleston.

To keep you informed of what is new at the shop, here are three new canvases that arrived yesterday.

Remember, stitching will keep you calm and focused during these troubled times.
